TIPS FOR EXHIBITORS

The following notes are for guidance only. Please read the schedule carefully and make sure entries comply with the requirements for each class. Exhibitors will be asked to leave the hall during judging. All exhibits should be staged as attractively as possible, in a close competition presentation could be a deciding factor.

VEGETABLES:-

Water vegetables well before harvesting. Wash root vegetables gently in clean water using a sponge or soft cloth. On other kinds retain the natural bloom where possible. Onions can be staged on rings or soft collars with tops tied. Avoid over skinning. Shallots can be staged on dry sand. Peas should be gathered by cutting with scissors with approx. 25mm stalk, hold by stalk to retain bloom. Always check that you have the correct number of exhibits for the class.

Marks will be awarded for: -

Condition Cleanliness, freshness, tenderness, absence of blemishes

Colour Should reflect freshness, trueness to cultivar and maturity

Size and Uniformity - Alike in size, shape and colour

AUBERGINE Uniform size and colour, smooth skin, stalks and calyx attached

BEANS broad Long, well filled pods with stalks, clear skin, tender seeds

BEANS French Straight tender pods with stalks, no outward sign of seeds

BEANS runner Long, slender, straight pods with stalks, no outward sign of seeds, good colour

BETROOT Clean, smooth skin, good colour. Take care washing, blemishes may show later. Foliage trimmed to 75mm

BRASSICAS Clean and well formed

CARROTS Uniform roots of good colour, avoid those with green at top. Foliage trimmed to approx. 75mm

COURGETTES Young, tender and shapely

CUCUMBER Well matched, straight with good colour, short handle with flower attached if possible

GARLIC Well shaped, solid, well ripened with thin necks. Dried stem approx. 25mm. Show whole bulb, do not divide into segments

ONIONS Firm, thin necked, uniform bulbs, well ripened. Do not over-skin. Tops neatly tied.

PEAS Well filled pods with bloom intact. Cut from plant with scissors

PEPPERS & CHILLIES Fresh bright fruit, clear skins.

POTATOES Medium size, clear skinned tubers, eyes few and shallow

RHUBARB Straight, tender stalks, good colour, leaf trimmed to approx. 75mm, trim off bud scales

SHALLOTS Round, solid with thin necks.

TOMATOES Firm, well-shaped, good colour. Fresh calyx and stalk

<u>FRUIT:-</u>	Present fruit in fresh condition, stalk and bloom intact. Handle as little as possible, use scissors to remove soft fruit. All fruit should be ripe with the exception of apples and pears which may be shown in unripe condition.
APPLES	Stage with eye uppermost, stalk down. Large solid fruits, undamaged. Do not polish – retain bloom
BERRIES	Well shaped, matching. Stalk and calyx green and fresh

TIPS FOR EXHIBITORS

HOME PRODUCE:-

Flavour/aroma should be characteristic for item being judged. No 'off' flavours or staleness. Most points are given for good flavour/aroma. Next will be colour, shape and uniformity with texture and distribution of ingredients.

- CAKES** Well risen, even shape. Smooth sides. Lining paper removed. No cooling rack marks. Evenly distributed fruit.
- SCONES** Even shape, size and colour. Approx. 5–6cms (2-2½") Glaze with milk or egg.
- PASTRY** Use plain flour. Evenly baked and cooked right through.
- TRAY BAKE** Using a 23cm x 30cm (9" x 12") tin, select the best 5 squares

BREAD/ROLLS Well proved, light and airy. Rolls to be uniform in shape, size and colour.

JAM & MARMALADE

For a good seal put lid on while still hot as soon as jar is filled. A new twist top or plastic cover will pop when opened. If using waxed disc and cellophane wait until cold to cover. Use plain clean jars, no trade names showing. Check size. Plain label stating contents and date made. Bright colour, good consistency, no air bubbles or scum. Fruit evenly distributed. Marmalade should have soft and uniformly cut fruit.

- All entries must be covered with cling film or cellophane. All lids must be advertisement free.
- Vinegar-proof lids must be used on pickles and chutneys
- All bakes to be displayed on paper plates. These can be supplied, if required on the day.

Recipe for Class 104 (Men only!)

CHERRY CAKE

Ingredients: **175g (6oz) Butter or Margarine**
 175g (6oz) Caster sugar
 3 Med. Eggs
 300g (10oz) Self-raising flour
 250g (8oz) Glacé Cherries, halved
 50g (2oz) Ground almonds
 5 tbspn Milk (approx.)

Grease and line a deep 18cm (7") round cake tin

Method:

Pre-heat the oven to 160°C/140°Fan/325°F/Gas mark 3.

Rinse the glacé cherries, drain and dry thoroughly on kitchen paper or a tea towel.

Cream the fat and sugar together until light and fluffy. Beat in the eggs, one at a time, adding a tablespoon of flour with the last two. Carefully fold in the remaining flour then the cherries, ground almonds and enough milk to give a dropping consistency.

Place in the prepared tin and bake in the preheated oven for 1½-2hrs or until a skewer inserted into the middle comes out clean.

Leave in the tin for 5 minutes, then turn onto a wire rack to cool completely.
